2020-21 MEMBERSHIP DRIVE

Dear Friends:

Our world looks different, our lives look different and how we conduct business as a Guild looks different in 2020. Please take this opportunity to become a Guild member, renew your membership, or pass this information along to a friend.

The success of our fundraisers, Gift Shop, community events, and other activities is attributed to your dedication and donations of time and financial assistance. Thank you to all who value and support the Guild's initiatives.

Below is the Membership Form for 2020-21. We hope you will take time to complete it and return to the Canton-Potsdam Hospital Guild address listed. You will receive a Membership Card/Receipt once your dues/donation is recorded.

Sincerely,
Membership Committee
